

BUY NOTHING.

**Give

Build community**

Buy Nothing is a global movement that started in 2013. It increases connection and belonging in the community through acts of kindness, giving and receiving.

We have a **Buy Nothing** Group in **City Beach & Wembley Downs**. People join because they want to get rid of things cluttering their lives or save money by getting things for **free**.

You join the group where you live so you are “**giving where you live**”. **That’s what builds community.**

No buying, no selling, no trades, no bartering, no soliciting for cash, no advertisements. We are not a charity. Simply post anything you’d like to give away, lend or share amongst neighbours. And ask for anything you’d like to receive for **free** or borrow. Some of the items people have given away include furniture, lemons, toys, baby clothes, books, bricks, washing powder and packing boxes.

There is **no** limit to what you can give and receive.
